

Dear Prospective Health Informatics Student:

Thank you for your interest in the Master of Health Informatics at Southern Illinois University Carbondale.

Students may apply for admission to begin the program with any semester. To be considered for admission, you must complete and submit all requested application material for evaluation. It is very important that you follow the application procedures accurately and finalize your file as soon as possible as only completed files will be considered.

If you have any questions concerning the program, please feel free to contact me.

Sincerely,

Sandra Collins, PhD, MBA
Program Director

The following items are needed to complete the Master of Health Informatics application process.

1. _____ Apply to the Graduate School at Southern Illinois University Carbondale. Choose Master of Health Informatics program on the Graduate School Application. Go to the website below and follow the “Apply Now” link to create your online Graduate School application:

<http://gradschool.siu.edu/applygrad/index.html>

Make sure you complete the entire application online.

2. _____ Upload unofficial copies of all transcripts within the graduate school application so your application can be reviewed.
3. _____ Send official copies of all college transcripts to the School of Allied Health Admissions Clerk. Official copies must be received prior to final acceptance into the program and course registration.
