MASTER SYLLABUS

COURSE NO., HOURS, AND TITLE:
RAD 425b, 3, Readings in Radiology Management

COURSE DESCRIPTION:
Supervised readings of the student’s primary area of interest will be conducted under the direction of a faculty member. This is a writing intensive, independent study course.

PREREQUISITE TO: RAD 435b

COURSE OBJECTIVES
This course will allow the student to pursue specialized areas of interest within the broader field of Radiology Management. At the conclusion of this course, the student should be able to:

1. Identify a unique facet of radiology management;
2. Identify, investigate, analyze, synthesize information about, and explain the facet identified in # 1 above;
3. Produce a scholarly article developing information about the problem/facet identified in #1 above.
