 Spring 2022 Analysis and Actions

MISSION: The mission of the Radiation Therapy Program through Southern Illinois University Carbondale is to provide a quality program integrating education, research and service in order to meet the needs of the profession and improve health care of the people and communities we serve.

GOAL #1: Prepare the student to practice as a competent entry level professional Radiation Therapist by offering a comprehensive curriculum and quality didactic/clinical instruction. (i.e. Clinical Competency)

Outcomes	Assessment Method	Assessment Tool	Benchmark	Time Frame for Evaluation	Person/Group Responsible	Analysis	Action
SLO 1. Students will be clinically competent upon graduation	Assessment Tool 1. Review of student clinical competencies.	Clinical Competency Check Lists	Each student will complete 97% of the suggested competencies	Summer Semester	Program Director	2020/2021 22/22 students - 100%	Benchmark met. Continue to monitor.
	Assessment Tool 2. Graduates will pass Radiation Therapy certification exam on first attempt Graduates will sit for ARRT certification exam the year following graduation.	ARRT Report if available/Graduate Feedback	A five-year average of 80% of the graduates will pass the credentialing exam on first attempt	Spring Semester post-graduation	Program Director	2020/2021 14/16 Students 88%	Benchmark met. Continue to monitor.
SLO 2. Employer indicates graduate was adequately prepared to perform as an entry-level dosimetrist.	Assessment Tool 1. Employers will be surveyed approximately 6 months following graduation of student. Question 3.	Employer Survey Question 3 – “The graduate has the Radiation Therapy knowledge necessary to function in a	The returned employer surveys will reflect average score of ≥4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”)	Spring Semester	Program Director	2020/2021 – #3 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.

		healthcare setting.”	response to item Survey Monkey Question 3				
	Assessment Tool 2. Employers will be surveyed approximately 6 months following graduation of student. Question 4.	Employer Survey Question 4 – “The graduate has the general medical knowledge necessary to function in a healthcare setting.”	The returned employer surveys will reflect average score of ≥ 4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) response to item Survey Monkey Question 4	Spring Semester	Program Director	2020/2021 – #4 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.
	Assessment Tool 3. Employers will be surveyed approximately 6 months following graduation of student. Question 11.	Employer Survey Question 11 – “The graduate possesses the skills to perform Radiation Therapy procedures (adequately prepared for radiation therapy duties).”	The returned employer surveys will reflect average score of ≥ 4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) response to item Survey Monkey Question 11	Spring Semester	Program Director	2020/2021 – #11 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.
	Assessment Tool 4. Employers will be surveyed approximately 6 months following graduation of student. Question 16.	Employer Survey Question 16 – “The graduate functions effectively as a member of the health care team.”	The returned employer surveys will reflect average score of ≥ 4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) response to item Survey Monkey Question 16	Spring Semester	Program Director	2020/2021 – #16 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.

GOAL #2: Provide avenues for students to develop and apply skills in effective communication necessary for successful radiation therapy practice. (i.e. Communication)

Outcomes	Assessment Method	Assessment Tool	Benchmark	Time Frame for Evaluation	Person/Group Responsible	Analysis	Action
SLO 1. Students demonstrate effective communication skills.	Assessment Tool 1. Growth Evaluations are performed during each clinical rotation. Final Growth Evaluation – Question 1	Final Growth Evaluation. Question 1 – “Demonstrates good rapport/communication skills with Patient, Clinical Supervisor, Department Personnel, Radiation Oncologist/Physicist	Students will achieve an average score of 4.0 on a scale of 0-5 (“Acceptable” to “Excellent”) on question 1.	Summer Semester	Program Director	2020/2021 – #1 – Avg 4.94	Met benchmark. Continue to monitor.
	Assessment Tool 2. Students will undergo a Mock Interview Assignment. Question 6	Mock Interview Evaluation Question 6 – “Was able to discuss pertinent aspects of a radiation therapy position”	Students will achieve an average score of 8 or higher on a 10 point scale. (10 = “Excellent”)	Spring Semester	Program Faculty	2020/2021 – #6 – Avg 9.75	Met benchmark. Continue to monitor.
	Assessment Tool 3. Students will undergo a Mock Interview Assignment. Question 9	Mock Interview Evaluation Question 9 – “Asked proper interview questions”	Students will achieve an average score of 8 or higher on a 10 point scale. (10 = “Excellent”)	Spring Semester	Program Faculty	2020/2021 – #8 – Avg 9.81	Met benchmark. Continue to monitor.
SLO 2. Graduates demonstrate effective communication skills.	Assessment Tool 1. Employers will be surveyed approximately 6 months following graduation of student. Question 13	Employer Survey Question 13 – The graduate communicates effectively within a healthcare setting (verbal).	The returned employer surveys will reflect average score of ≥4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) Survey Monkey questions 13 (verbal).	Spring Semester	Program Director	2020/2021 – #13 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.
	Assessment Tool 2. Employers will be surveyed approximately 6 months following graduation of student. Question 14	Employer Survey Question 14 – The graduate communicates effectively within a healthcare setting	The returned employer surveys will reflect average score of ≥4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) Survey Monkey	Spring Semester	Program Director	2020/2021 – #14 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.

GOAL #3: Provide avenues for students to develop and apply skills in critical thinking and problem-solving necessary for successful radiation therapy practice. (i.e. Critical Thinking)

Outcomes	Assessment Method	Assessment Tool	Benchmark	Time Frame for Evaluation	Person/Group Responsible	Analysis	Action
SLO 1. Students demonstrate effective problem solving and critical thinking skills.	Assessment Tool 1. Students will undergo a Mock Interview Assignment. Question 8	Mock Interview Evaluation Question 8 – “Answered impromptu questions appropriately”	Students will achieve an average score of 8 or higher on a 10 point scale. (10 = “Excellent”)	Spring Semester	Program Faculty	2020/2021 – #7 – Avg 9.75	Met benchmark. Continue to monitor.
	Assessment Tool 2. Growth Evaluations are performed during each clinical rotation. Final Growth Evaluation – Question 10	Final Growth Evaluation. Question 10 – “Exercises good judgment in determining treatment technique/approach for desired patient outcome per the physician’s prescription. i.e. palliative or curative intent.”	Students will achieve an average score of 4.0 on a scale of 0-5 (“Acceptable” to “Excellent”) on question 10.	Summer Semester	Program Director	2020/2021 – #10 – Avg 4.94	Met benchmark. Continue to monitor.
SLO 2. Graduates demonstrate effective problem solving and critical thinking skills.	Assessment Tool 1. Employers will be surveyed approximately 6 months following graduation of student. Question 6	Employer Survey Question 6 – “The graduate is able to interpret patient data.”	The returned employer surveys will reflect average score of ≥ 4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) Survey Monkey Question 6	Spring Semester	Program Director	2020/2021 – #6 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.
	Assessment Tool 2. Employers will be surveyed approximately 6 months following graduation of student. Question 7	Employer Survey Question 7 – “The graduate uses sound judgment while functioning in a healthcare setting.”	The returned employer surveys will reflect average score of ≥ 4 on a scale of 1-5 on (“Strongly Agree” or “Generally Agree”) Survey Monkey Question 7	Spring Semester	Program Director	2020/2021 – #7 – 5.0 - 1/3 surveys	Benchmark met. Continue to monitor.
