Revised 3/15/2022	Even Year example - 2022				Odd Year example - 2023				
	KEY		OO = This course offered in Online Only - Oncampus students may enroll in this class.						
	*Courses in the online format are restricted to ONLINE students only, EXCEPT when a course is only offered in the online format and no oncampus course is offered in the program course sequence.								
	*Students understand if they miss a class in the sequence it is offered, they will delay their graduation since courses are not offered every semester.								
	* See course titles and descriptions at: https://gradcatalog.siu.edu//programs/mha/index.php								
	* The MHA is not a STEM degree.
