Even Year example - 2022

Odd Year example - 2023

KEY

OO = This course offered in Online Only - Oncampus students may enroll in this class.

*Courses in the online format are restricted to ONLINE students only, EXCEPT when a course is only offered in the online format and no oncampus course is offered in the program course sequence.

*Students understand if they miss a class in the sequence it is offered, they will delay their graduation since courses are not offered every semester.

Revised
3/15/2022

* See course titles and descriptions at: <https://gradcatalog.siu.edu//programs/mhi/index.php>

* The MHI is not a STEM degree.
